ANNUAL REPORT

Charlestown, New Hampshire

1992

— DEDICATION —

Charlestown is represented in a very special way by the Fort at #4. We use the Fort to identify our sports teams, and our Police, Fire, Water and Highway Departments all use the Fort logo. This Living History Museum preserves the Town's Yankee heritage by telling the story of the first settlers of Township #4 and the Connecticut River Valley.

Our third graders have the opportunity to tour the museum which is a replica of our 1744 fortified village. Each November a presentation is given to our second graders telling the story "What the Indians and Settlers Shared". For nine days in August, Charlestown residents are encouraged to visit the Fort at no charge. During Spring and Fall 3500 school children from New Hampshire, Vermont and Massachusetts tour our museum.

From May to mid October there are special events: Musters, a Craft Fair, a Genealogical Fair, Workshops for early American skills, Fun Shops to teach our children Indian lore and Frontier skills, and an Antique Auto Show in October.

The museum attracts visitors from all over the United States as well as from foreign countries. The guest book lists visitors from England, France, Russia, Australia and Germany to name a few. These visitors stop at our restaurants, our Bed and Breakfasts and our gas stations as well as other businesses. The Fort takes an active role in the New Hampshire-Vermont Tourism Council and Pride in Charlestown.

In 1994, Charlestown will be celebrating the 250th anniversary of the original settlement of Township #4 as our Town was first called. In addition to our regular program, special events will be planned. Since Charlestown was the earliest settlement in the valley, we have the unique opportunity to share the story of frontier life in New Hampshire.

It is with excitement that we anticipate the future of our living history museum and with gratitude that we acknowledge all those who have helped to build, preserve and support, in so many ways, the growth and purpose of the Fort at #4. We invite all of you to become a member of the Fort. Volunteer, attend our special events and learn the early history of our Town.

STATE OF NEW HAMPSHIRE
TOWN OF CHARLESTOWN
1993 ANNUAL TOWN MEETING WARRANT

TO THE INHABITANTS OF THE TOWN OF CHARLESTOWN, NEW HAMPSHIRE
who are qualified to vote in Town affairs:

TAKE NOTICE AND BE WARNED that the Annual Town Meeting of the
Town of Charlestown, New Hampshire will be held at the Charlestown
Elementary School Gymnasium, on Tuesday, March 9, 1993 at
10:00 A.M.

(The polls will open at 10:00 A.M. and close at 7:00 P.M.
to vote on Article 1. All other Articles will be presented,
discussed and acted upon at the business meeting beginning
at 7:00 P.M.).

ARTICLE 1: To choose the necessary Town Officers for their
respective term.

ARTICLE 2: To see if the Town will vote to raise and appropri-
ate the sum of \$250,000.00 for the purchase and re-
novation of the proposed Municipal Building on
Lovers Lane Road, to be repaid over a 5 (five) year
period, and to authorize the issuance of not more
than \$250,000.00 of bonds or notes in accordance
with the provisions of the Municipal Finance Act
(RSA Chapter 33), and to authorize the Town offi-
cials to issue and negotiate such bonds or notes
and to determine the rate of interest thereon.
(2/3 Ballot Vote Required)

ARTICLE 3: We the undersigned registered voters of the Town
of Charlestown petition the following Article be
placed on the Official Ballot for all day voting.
"That the bottom line budget, less revenues, and
any other Warrant Article in excess of \$5,000 of
the Fall Mountain Regional School District be
voted on by referendum on the official printed
Town/School District Ballot. (aforementioned
Official Ballot also known as Australian Ballot)".
(By Petition)

ARTICLE 4: We the undersigned registered voters of the Town of
Charlestown petition the following Article be
placed on the Official Ballot for all day voting.
"To use all surplus revenues to reduce the tax rate
in said Town of Charlestown for the upcoming tax
year."
(By Petition)

- ARTICLE 5: To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend without further action by the Town Meeting, money from the State, Federal or other Governmental unit or private source, which becomes available during the fiscal year to be used for purposes for which the Town may legally appropriate money and in accordance with and pursuant to the requirements of RSA 31:95-b.
- ARTICLE 6: To see if the Town will vote to authorize the Selectmen to sell property acquired by the Town by Tax Collector's Deed, either by a public auction or by advertised, sealed bids as provided in RSA 80:42,II.
- ARTICLE 7: To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of the receipt of taxes to pay current maintenance and operation expenses as provided in RSA 33:7 of the Municipal Finance Act.
- ARTICLE 8: To hear the reports of Agents, Auditors, Committees and Officers chosen and pass any vote relating thereto.
- ARTICLE 9: To consider the Budget. To raise and appropriate such sums of money as may be deemed necessary for general Town operations.
- ARTICLE 10: To see if the Town will vote to raise and appropriate \$3,000.00 for the Charlestown Senior Center.
(By Petition)
- ARTICLE 11: Shall we adopt the provisions of RSA 31:95-c to restrict the revenues from recreational activities to expenditures for the purpose of recreational programs? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Recreation Fund, separate from the General Fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of revenue.
- ARTICLE 12: Shall the Town adopt the provisions of RSA 466:30-a which make it unlawful for any dog to run at large, except when accompanied by the owner or custodian, and when used for hunting, herding, supervised competition and exhibition or training for such.

ARTICLE 13: To see if the Town will vote to authorize the Selectmen to accept a **Recycle-Sharing** program at Charlestown Transfer Station.
Create \$5,000.00 revenue to fund the program. A Yes vote on this article will authorize Selectmen to raise transfer permit fees an additional \$2.00 per household, apartment owner fee will include an additional \$2.00 per unit, mobile home park fee an additional \$ 2.00 per unit, and the commercial hauler fee will be raised from \$500.00 to \$1,000.00 annually.
(By Petition)

ARTICLE 14: To transact any other business that may legally come before the meeting.

Given under our hands and seal this 3rd day of February 1993.

Gary W. Bigelow
Robert T. Frizzell
Jon B. LeClair
BOARD OF SELECTMEN

R E T U R N

We hereby attest that the within Warrant is a true copy of the Warrant for the 1993 Annual Town Meeting described herein, and further certify that we have caused to be posted an attested copy of this Warrant at the place of the Meeting and a like copy in one other place in the Town of Charlestown, namely the Library-Municipal Building fourteen (14) days before the day of the Meeting.

Gary W. Bigelow
Robert T. Frizzell
Jon B. LeClair
BOARD OF SELECTMEN

This Warrant and Return of Posting has been duly recorded in the office of the Town Clerk of Charlestown, New Hampshire, this 4th day of February 1993.

Debra J. Clark
Town Clerk

TOWN MEETING
CHARLESTOWN, NEW HAMPSHIRE
March 10, 1992

To the inhabitants of the Town of Charlestown, New Hampshire who are qualified to vote in Town affairs:

Take notice and be warned that the Annual Town Meeting of the Town of Charlestown, New Hampshire will be held at the Charlestown Elementary School Gymnasium on Tuesday, March 10, 1992.

(The polls will open at 10:00 A.M. and close at 7:00 P.M. to vote on Article 1. All other articles will be presented, discussed and acted upon at the business meeting beginning at 7:00 P.M.).

The meeting was called to order at 10:00 A.M. by the Assistant Moderator, Antoinette Beaudry, followed by the reading of the Warrant in full. At the completion of the reading she announced that the Absentee Ballots would be cast at 4:00 P.M. The polls were declared open at 10:05 A.M. for balloting on Article 1 and 2 and the ballot for members of the School Board of the Fall Mountain Regional School District.

Charles L. Child, Moderator, cast the Absentee Ballots, starting at 4:00 P.M. and ending at 4:07 P.M.

The Moderator called the meeting to order at 7:02 P.M. and declared the polls closed. This was followed by his announcement of the procedure to be followed during the meeting, which reads as follows:

1. Members of the audience not registered to vote, please sit on the back bleachers to my left. Voters please take a seat on the main floor or in the south bleachers. Any voter wishing to challenge another voter, please speak to one of the tellers or to the Town Clerk.
2. After voting is completed and the polls are declared closed, I have appointed an Assistant Moderator, Patricia Royce, in charge of counting ballots with the Ballot Clerks and one Supervisor to count on stage. When a ballot vote is required, I will call the Ballot Clerks and Supervisor back to the floor to accomplish that task.
3. If this meeting should recess to another evening, no action on articles already acted upon will be reconsidered on the succeeding evening.
4. All motions on articles will be made in writing. The Moderator will recognize only a positive statement motion so that a yes vote will be in favor, and a no vote against the idea expressed in the motion.
5. Persons wishing to have a ballot vote should request that in writing, with five or more signatures of registered voters at the beginning of the meeting to the Town Clerk.

6. All persons wishing a chance to speak to a motion will please sign up in advance of the article or articles by either-
 - a. Speaking to the Town Clerk, or
 - b. Writing your name and article(s) you wish to speak to on a slip of paper and giving it to one of the tellers who will in turn give it to the Town Clerk to prepare for me. The tellers have slips of paper for this use. Please sign up for those specific articles you plan to speak to.

After the people who have signed up speak (and you may choose not to speak even if you have signed up), the floor will then be opened for further discussion.

The Moderator will, however, recognize at this time a motion to call for the question and a 2/3 vote at that time will stop debate and bring a vote on the main motion.

A further suggestion was made by the Moderator that each speaker speak clearly, concisely, and try to keep speaking to a minimum, although there would be no time limit set.

Total number of ballots cast:	664
Total number of names on Checklist:	2520

The results of Article 1 follow:

Article 1: Selectmen for three years	Jon W. LeClair	358*

The results of Article 2 follow:

Article 2: To see if the Town will vote to amend Section 6.4 of the Building Codes of the Flood Hazard Areas adding the following paragraph:

"The following regulations in this ordinance shall apply to all lands designated as special flood hazard areas by the Federal Emergency Management Agency (FEMA) in its "Flood Insurance Study for the Town of Charlestown, NH" together with the associated Flood Insurance Rate Maps, and Flood Boundary and Floodway Maps of the Town dated April 15, 1992 which are declared to be part of this ordinance and are hereby incorporated by reference."

By Ballot

Yes 307*

No 277

Article 3: To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend without further action by the Town Meeting, money from the State, Federal, or other Governmental unit or private source, which becomes available during the fiscal year to be used for purposes for which the Town may legally appropriate money and in accordance with and pursuant to the requirements of RSA 31: 95-b.

Motion presented. Motion made and seconded to accept Article 3 as read.

Article 3 passed by voice vote.

Article 4: To see if the Town will vote to authorize the Selectmen to sell property acquired by the Town by Tax Collector's Deed, either by a public auction or by advertised, sealed bids as provided in RSA 80:42,II.

Motion presented. Motion made and seconded to accept Article 4 as read.

Article 4 passed by voice vote.

Article 5: To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of the receipts of taxes to pay current maintenance and operation expenses as provided in RSA 33:7 of the Municipal Finance Act.

Motion presented. Motion made and seconded to accept Article 5 as read.

Article 5 passed by voice vote.

Article 6: To hear the reports of Agents, Auditors, Committees and Officers chosen and pass any vote relating thereto.

Motion presented with a correction noted on the Police Department appropriations on page 5 of the Town Report. Motion made and seconded to accept Article 6 as read.

Article 6 passed by voice vote.

Article 7: To consider the Budget. To raise and appropriate such sums of money as may be deemed necessary for general Town operations.

Motion presented. Motion made and seconded to accept Article 7 as read with the budget figure of \$1,714,940.00.

Question was moved and seconded.

Article 7 passed by voice vote.

Article 8: To see if the Town will vote to eliminate one position, that of a full-time E.M.T. part-time Police Officer.

(By Petition)

Motion made and seconded to postpone Article 8 indefinitely.

Question was moved and seconded.

Article 8 was postponed indefinitely by a voice vote.

Article 9: To see if the Town will vote not to purchase a new police cruiser this year. (By Petition)

Motion made and seconded to postpone Article 9 indefinitely.

Question was moved and seconded.

Article 9 was postponed indefinitely by a voice vote.

Article 10: To see if the Town will vote to raise the sum of \$100.00 and instruct the Selectmen to appoint a committee to study the feasibility of having a 911 emergency phone system for the Town of Charlestown.

Motion made and seconded to accept Article 10 as read.

Question moved and seconded.

Article 10 passed by voice vote.

Article 11: To see if the Town will vote to waive the \$7.50 user fee for the Community Room for free "Community Meals" (Charlestown Friendly Family Meals). (By Petition)

Motion made and seconded to accept Article 11 as read.

Amendment presented: "To see if the Town will vote to waive the \$7.50 user fee for the Community Room for any approved non-profit organization that serves a charitable purpose for the Town and is approved by the Selectmen."

Amendment made and seconded.

Amendment was passed by voice vote.

Motion was made and seconded to accept Article 11 as amended.

Article 11 passed as amended by voice vote.

Article 12: To transact any other business that may legally come before the meeting.

Motion made and seconded to accept Article 12 as read.

Vincent Jordan spoke and complimented the Selectmen concerning the dry bridge and the money that was saved.

Robert Stone asked for a round of applause for Robert Metcalf who was a former Selectman.

A motion to adjourn the meeting was presented. Motion made and seconded and it was so voted in the affirmative.

The business meeting was declared closed at 8:08 P.M. by Charles L. Child.

The results of Articles 1 & 2 were declared at 10:30 P.M.

INDEPENDENT AUDITOR'S REPORT

To the Members of the Board of Selectmen:

We have audited the accompanying general purpose financial statements of the Town of Charlestown and the combining and individual fund financial statements of the Town as of and for the year ended December 31, 1991, as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Charlestown at December 31, 1991, and the results of its operations and the changes in financial position of its non-expendable trust funds for the year then ended, in conformity with generally accepted accounting principles. Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the Town at December 31, 1991, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles.

REPORT OF THE CONSERVATION COMMISSION

Last year we reported that the Conservation Commission was in the final stages of purchasing conservation easements from three landowners on 565 acres of land through the Land Conservation Investment Program (LCIP). One landowner chose not to participate which resulted in a final total of 338 acres, involving two landowners. The landowner reimbursed the Conservation Commission for the costs of appraisal and survey work plus interest. A total of \$3,740 has been returned to the Commission's Reserve Fund.

We reviewed a number of Dredge and Fill Permit applications and sent our observations and recommendations to the New Hampshire Wetlands Board.

Our members attended workshops on Community Natural Resource Planning, NH Method of Wetlands identification and Extension Day for Sullivan County.

We are in the process of exploring the most effective and economical way to identify and evaluate the Town's wetland resources. This will require professional leadership with the possibility of training volunteers to assist in the project. If you are interested in volunteering, please give your name and phone number to the staff in the Selectmen's Office.

Efforts to encourage reading look hopeful!

For the past several years Silsby Library, in cooperation with the Trustees and Charlestown Primary School, has conducted a School Library Program whereby it takes books to the school which the children check out just as if they were at the Library. The purpose is twofold. The children, through firsthand experience, become acquainted both with the Librarian and the Library's operation procedures, rules and regulations. They learn responsibility with regards to books. The other main reason is to enable the many children who may not have the opportunity to visit it to be able to enjoy the benefits of the Library as well.

The overall effect allows children to develop a sense that books too are an everyday part of life - a very enjoyable and useful part.

The program from the outset has been a totally volunteer one. Only those children who wish to participate do so. The books they read are their choice alone.

A second program in which the library dedicates one of its new acquisitions to each newborn on Charlestown was begun two years ago with the encouragement of the Trustees. It is the hope of this program to encourage parents to read to their children at an early age.

The Library also conducts a successful six week Summer Reading Program for children of any age.

These three programs, along with the never tiring efforts of local educators, parents and reading encouragement media programs are making a marked difference in the attitude of children towards reading.

In the past two years, children's circulation has surpassed that of the adults here at the Library. Along with this, in 1992, juvenile circulation has increased by 3,800 books over that of 1989.

If this is any reflection, the nation's efforts to encourage reading are working, and, Charlestown, so are yours! Everyone, keep up the good work, keep reading, and thank you for your support.

Lois H. Cook
Head Librarian

REPORT OF THE TRUSTEES OF SILSBY FREE LIBRARY

The Trustees of the Library meet monthly upstairs in the Library, usually on the third Tuesday of the month. These meetings are open to the public, and minutes of the meeting are posted in the Library. The Trustees have officers, including a secretary and a treasurer, both of whom present a monthly report, and we also hear a report from the Librarian. The Trustees make decisions which have to do with the continued smooth operation of the Library as well as evaluate the performance of the Librarian.

We have several items of interest which have developed during the past year. One item was the decision to increase the number of Trustees. Following the resignation of a trustee, we found the number of trustees inadequate to do the duties described above. It was the consensus that we needed more members. Accordingly, the Selectmen were presented with a list of candidates available for this position, and from this list three new members were added.

Several programs which have been in place have been continued. These include the literacy program, climate control, and long-range planning. The literacy program includes the school library program which provides library books for the children at the Charlestown Primary School to check out on Friday after having completed the usual application process, the newborn program in which parents of newborn children in Town are notified that a book will be dedicated in that child's honor for them to read as they grow, a program of materials for parents of incoming kindergarten children which includes a story book, information to develop reading skills prior to school entry, and also develop arithmetic skills. For adults in the community we have an affiliation with the Adult Tutorial Program of Sullivan County which provides free tutorial instruction for people with low literacy skills, as well as instruction and materials in our Library for adults who wish to complete a highschool program with the GED certificate. If any member of the community wishes to become part of this by being a tutor, please contact the Library staff.

We have also been pursuing information for long-range planning. Since it is the goal to have a Library which can meet present and future needs, we met with a representative of the State Library during the summer to discuss long-range planning. As a result of this meeting, the Trustees decided to continue with long-range planning efforts. Part of this concern in our library is the climate control issue in order to provide conditions which are optimum for proper storage and use of valuable documents and records, which cannot be placed due to their historical nature. We have taken some action to meet these needs, but more will be needed in the future.

We do have certain resources available to us, including services from the State and the N.H. Board of Library Trustees which sponsor period meetings during the year. It has been my pleasure to attend some of these meetings which are always timely and informative.

Since several members have terms which end this year, I strongly urge citizens of the community who have an interest in the Library to consider running for these positions. It is interesting and rewarding to be a Library Trustee.

Janice MacDonald, Chair
Board of Trustees

SELECTMEN'S REPORT

1992 required the Selectmen to consider both long-range projects and short-term repairs along with the general day to day business of the Town.

Much time was devoted to the water system. The Lovers Lane well site was completed early in the year and pump tests indicate that the Town has a superb future supply of groundwater. The North Charlestown system was also studied with the objective being to provide a back-up source and fire protection. The most practical plan appears to be to link the two systems along Route 12. This provides the needed fire protection and water supply, and also serves to improve our Infra-structure allowing future industrial development.

Two bridges closed by the State, the dry bridge and the Little Sugar River bridge, were repaired and opened to the public. In addition three railroad crossings were upgraded with the assistance of State and Federal agencies.

The recycling facility has added a baler with the help of a Grant from New Hampshire The Beautiful. This has improved storage and marketing capabilities. While citizens have continued to increase participation in recycling, there is much room for improvement. Currently one ton of trash costs approximately \$ 80.00 to remove. Each ton of recycling materials taken out of that waste stream reduces the tax burden of the Town.

Once again, the Selectmen and Finance Committee have worked hard together to present a level funded budget to the Town. No sooner was that completed than we were faced with the project of working with the building committee to consider the purchase and renovation of a new municipal building.

Meetings will continue to be held the first and third Wednesday of the month, every Wednesday during the busy months preceeding Town Meeting. All are welcome to come and see their democracy in action.

REPORT OF THE SULLIVAN COUNTY ECONOMIC DEVELOPMENT COUNCIL, INC.

The Sullivan County Economic Development Council, Inc. (SCEDC), a countrywide, nonprofit organization created in 1985, works to implement a comprehensive and coordinated program designed to enhance the quality of life through the creation of a more diversified and stable economy.

The objective of the organization is to increase job opportunities, personal income and the tax base by assisting business and industry to remain and expand in the county and by attracting new firms to the area. The SCEDC allocates 100 percent of its efforts to facilitate quality growth and development.

Community and County funding are combined to support SCEDC's efforts. The SCEDC Board of Directors is comprised of representatives countywide. Currently Charlestown provides two Board members.

While the past several years have been tough ones from an economic standpoint, several positive developments have moved forward to provide new jobs, payrolls and tax base. Several of those expansions occurred in Charlestown.

The SCEDC is proud to be able to say that since 1985, over 750 new jobs have been created, over \$9 million in new payrolls have been generated, over 100,000 square feet of industrial space has been leased. Additionally, over one million dollars in grant monies for economic development projects has been brought to the area.

The CEDA Industrial Park continues to be one of SCEDC's big success stories. The SCEDC is proud to have assisted the Charlestown Economic Development Association (CEDA) and the Town in the creation of the park. If projects which are currently in the works at the time of this writing go through, seven of the eight lots in the park will have been sold to new or expanding firms. The combined square footage of firms in the park is over 100,000 square feet and over 160 persons are employed.

The SCEDC looks forward to its continued cooperative efforts with the Town of Charlestown, the County and the other fourteen Sullivan County communities ... all working to make 1993 a great year!

REPORT OF THE POLICE DEPARTMENT

Arrests for the year numbered fifty-two(52) for various motor vehicle and criminal acts. This is a drop of thirty-eight (38) due in part to the visibility of your Police Officers on patrol.

The Department dispatched the ambulance service on three-hundred-fourteen (314) calls, an increase of one-hundred-one (101) over last year. There is full cooperation between the two services and calls are handled in a timely and professional manner.

There were sixty-eight (68) reportable motor vehicle accidents over \$1,000.00 in property damage and/or personal injuries sent to the New Hampshire Motor Vehicle Department. This is a slight increase of three (3) over last year.

The Department received one-hundred (100) criminal investigation complaints from the general public which includes thefts, assaults, domestic situations, burglaries, and other activities. That is a decline of forty-nine (49) reportable complaints from the previous year.

The Department provided the usual services such as delivering emergency messages, taking fingerprints for employment, monitoring alarms of businesses and homes, and traffic duty on special occasions within the community.

Twenty-five (25) juvenile cases were handled this year, a decline of five (5) cases from last year. Twelve (12) cases were diverted to the Community Youth Advocate Counseling program.

A Grant was received from the New Hampshire State Children and Youth Services Advisory Board which allowed the Department to expand its program to three second grades at the Primary School. Our goal is to foster self-esteem in the children by providing them with information and skills before they face peer pressure and critical choices. Issues discussed include bicycle safety, bus safety, winter safety, how to deal with strangers, first aid for children, drug and alcohol education, and personal safety. Some of the presentations will also be offered to the second grade at Farwell School. Teachers and parents have been very supportive of our efforts. The children are enthusiastic and enjoy the special attention they receive from the officers involved in this program.

I would like to commend the part-time Officers of the Police Department for their years of dedication and professional service to the community. Without them, the Department could not perform the mandated duties of preserving peace and dignity for the residents of Charlestown.

Respectfully
Frederick J. Domini
Chief of Police

**REPORT OF COMMUNITY YOUTH ADVOCATES, INC.
OF SULLIVAN COUNTY**

In 1992 again, Community Youth Advocates provided services to Youths of Charlestown.

The Number of youths served from January 1, 1992 through October 1992 is as follows:

City	Male	Female	Total	Contact Units	Contact Hours
Claremont	77	56	133	1164	1921
Unity	15	6	21	455	473
Newport	6	7	13	49	145
Charlestown	11	4	15	108	263
Cornish	3	1	4	27	30
Enfield	0	1	1	3	6
Plainfield	2	0	2	12	20
Sunapee	2	1	3	21	35
Washington	2	1	3	62	59
	118	77	195	1901	2952

Runaways - 11

Court Diversions - Claremont -- 16

Charlestown -- 6

Unity -- 1

CHARLESTOWN MEDICAL BUILDING ASSOCIATION, INC.

This year the Trustees of the Medical Building had new vinyl siding put on the Medical building to alleviate the problem of continuous paint peeling and to enhance the property.

The Trustees have also pledged \$15,000.00 toward the 1994 purchase of a new ambulance, under the conditions that the Town raises \$40,000.00 at the 1994 Town Meeting for the ambulance, and that the Ambulance Group raises the balance necessary for the purchase. The by-laws of the Medical Building Association state that our purpose is to benefit the overall health of the Town, and the Trustees feel that a contribution toward a new ambulance is appropriate.

The rental agreements for 1993 have been signed by both the doctors' and nurses' groups.

Respectfully submitted
(Sarah) Beth Angers, Chair

REPORT OF THE PLANNING BOARD

The Planning Board was not as busy as it has been in the past. There have been several minor site plans and subdivisions, but none of the large projects seen in the past.

One of the time consuming activities was the attempt to get the campground off South Hemlock Road into compliance. At this time the owner has yet to present a completed application, and the Board has decided to go forward with enforcement.

Much of the slack time created by a reduction in applications has been filled with work on revising the Master Plan. Several chapters are complete and we hope to have the Plan revised in its entirety by next year.

The Planning Board deeply regrets the passing of Farnsworth (Bud) Elliot. For many years he has faithfully devoted much of his time to planning, not only for the Charlestown Planning Board but also at a regional level. We will miss him.

Planning Board meetings are held the first and third Tuesday and all are invited to come and participate.

Fred Poisson, Chair
Sharon Francis, Vice Chair
Harland Richardson, Clerk
Kennith Champney
Farnsworth (Bud) Elliot
F. (Bud) VonAhnen

REPORT OF THE UPPER VALLEY LAKE SUNAPEE COUNCIL

As budget discussions for 1993 get underway, we ask that you please continue your support for the Upper Valley Lake Sunapee Regional Planning Commission via membership dues.

Our dues are calculated using an overall per-capita amount multiplied by the population of each member community. In recognition of the ongoing recession and the strain on local budgets we have not changed our membership dues since 1989. During this time, inflation has been running at about 4% annually, and our costs have been rising accordingly.

Once again for 1993 we have left the per-capita amounts unchanged, for the fifth year in a row. However, we have used the 1990 US Census population figures to calculate dues amounts. These are now official (several towns protested the counts) and are much more accurate than the 1986 estimates which had been used previously.

Tight times continue in northern New England. In recognition of this, UVLSRPC has:

- ° Continued our austerity program, initiated in January, 1990. There has been one 4% cost-of-living raise for our staff during the past three years. There have been no merit raises. Health care benefits have been incrementally decreased to control costs.
- ° Continued efforts to obtain funding from a wide variety of state, federal, and private foundation sources.
- ° Continued to control costs via staff layoffs. Two additional full-time staff were laid off in July, 1992. We have now five full-time and four part-time employees. We feel this is a good size to adequately serve member towns while also controlling costs.

REPORT OF THE FINANCE COMMITTEE

The Finance Committee held meetings almost every week during December 1992 and January 1993 to work on the 1993 budget.

We met with Department Heads and reviewed their budgets. We needed to be sure we had a budget for 1993 that would keep the Town operating and still be one the taxpayers could afford. As you look at the total figure of the 1993 proposed budget in this report and compare it with last year, you will see that we have. You will also see that every person that spends Town money was very careful to make sure it was well spent last year.

The Finance Committee is a great committee for a person to serve on who wants to learn how the Town runs and where his tax dollars go.

I wish to thank the members for their great attendance and their input, even when they knew that not everyone would agree with them. I also wish to thank the Selectmen for being at all our meetings and for their input. It was nice to see some town workers at the meetings and other people who have an interest. We always welcome your input.

A special thankyou goes to Susan Spaulding for all her work getting the budgets to us and being at the meetings. Her advise and computer work was appreciated by all.

Respectfully
Oscar J. Makinen, Chairman

REPORT OF THE SULLIVAN COUNTY PUBLIC COOPERATIVE

For the second year, the Town of Charlestown chose to continue its membership in the cooperative in order to "fix" a price on one of the major operating cost components, heating oil. Johnson & Dix was granted the contract with prepayment price of .685¢ per gallon. Checks for anticipated annual usage were issued from the General Fund, Water and Sewer Funds. At the End of 1992, credit balances were as follows:

General Fund \$3,533, Water Fund \$964.43, Sewer Fund \$1,538.79.

In addition, we opted to purchase 10,700 gals. of diesel fuel at .705¢ per gallon. As of December 31, 1992 the General Fund had a credit balance of \$ 4,078.

REPORT OF THE AMBULANCE SERVICE

1992 proved to be a very busy year for the Ambulance Service with a total of 314 calls being answered. This being an increase of 101 calls from 1991.

Members have been working very hard on updating of training. We now have three members taking the Emergency Medical Technician course in Springfield, VT, which will give us a total of ten EMT's and four Advanced First Aiders. We also have two more people joining the service, which will give us a total of sixteen members.

So far, we have raised a sizable amount of money for the new ambulance fund and we are still working actively on this fund in hopes to raise all we need by the end of this year. We have a lot of fundraisers planned for this Summer.

At this time we would like to thank all the merchants and the citizens of Charlestown who have helped us through the year with the fund raisers. All donations are greatly appreciated.

We would also like to thank the Police Department for their continued support in helping us to the scene and their help on the scene. This help should never go unnoticed.

Once again thanks to everyone who has supported us throughout the year.

Respectfully
Michael C. Kemp, Director

REPORT OF THE FIRE DEPARTMENT

May we start this report by remembering the loss of fire-fighter David Lumbrá.

This past year has been a busy one with calls and training. We have upgraded our training and will continue to do so. Members have put in well over 600 man hours of recorded training and many unrecorded training hours.

The following is a breakdown of our calls for 1992:

Smoke Investigations	5	Structure Fires	17
Auto Accidents/Fires	18	Public Assistance	6
Chimney Fires	11	Mutual Aid	13
Electrical/Power Line	2	Hazardous Material	1
Brush/Illegal Burns	8	False Alarms	3
Total	84		

Robert Burns, Fire Chief
Harland Richardson, Sec.

REPORT OF THE RECREATION COMMITTEE

Although a down year economically, 1992 was extremely rewarding for recreation in the Town of Charlestown. We expanded our facilities and programs and yet reduced our budget. All of the Recreation Department activity came in 17% under budget. That is after an 8% reduction in the 1992 budget! We could not have done this without some very generous donations of time and equipment from many people.

Patch Park improvements include a new softball field, new soccer field, new horseshoe pit, smoothing up a section of the picnic area, reconditioning the Little League field, new swing sets and a new sign. All these improvements were **100% donated**. The estimated market value of these improvements is \$8,800.00.

I would like to thank the volunteers which include:

Swing sets - (fund raising and purchase)

Julie Hanson, Sandy Webb, Lisa Webb and Tami Vittum Makinen.

Sign - Stanley Patch

Construction - Norm Beaudry, St. Pierre, Inc. and Charlestown Highway Department employees (heavy equipment), Paul Beaudry (rototilling), Ken Champney (welding), Berry's Landscaping (sod cutting), Bob Frizzell (leveling), Putnam Farms (harrow and seeding), Beaudry Enterprise (lime and Fertilizer), Rotary Club (labor), Charlestown Ready Mix and Recreation Committee (horseshoe pits).

Split Rail fence was purchased but installed by volunteers.

There were also many more individual volunteers who gave their time to make these projects successful, and we thank them all very much.

The swimming pool remains about two-thirds of the Recreation budget. The cold, rainy summer weather allowed the pool to run well under budget. Special thanks to Henry, Alan and Ken at the Charlestown Water Department and to pool manager Scott Bushway for all your help.

The Farwell School area of North Charlestown also had a great deal of recreational improvements this year. The soccer field was expanded, a picnic area was started and the skating rink was expanded and lights added. Special thanks to St. Pierre, Inc. who donated all this work.

Recreational programs were also improved. Basketball now has over 100 children in grades 3 through 6 playing, soccer has 186 from 5 to 11 year olds. Softball had 5 teams this year. Little League Baseball continues to be strong and the swim team is one of the best in the State.

Winter Carnival continues to be our biggest event. We offer something for everyone, which makes it an especially good weekend to invite friends to Charlestown.

The 1993 Carnival is just beginning as this report is being written, but I know the 10th Annual Event will be special. We doubled the events, worked harder on publicity and are trying to make this a fund raising event as well as a social event. Cathy Fisher was this year's Chairperson and has done a wonderful job.

A new program this year is Country and Western line dancing, which is offered on Tuesdays at the Old Town Hall. Joan Beaudry developed this program and is averaging over 20 people per class. Joan is also working on revitalizing Septemberfest through the Recreation Department in 1993.

Mary Gray was a huge help in developing an accounting system that made our programs self-supporting. Now when we have fund-raisers, the money goes directly to the program and not to the General Fund. This creates a lot more incentive to raise money. The purchase of a lawn mower for Patch Park is proving to be a very wise investment. Dick Rumrill is doing a great job of maintenance.

The coaches, recreation committee and recreation director should be commended for their dedication and energy to make so many things happen on a paper-thin budget. The Town certainly got their money's worth from the many volunteers that gave their time and talent to make Charlestown a better place.

Finally, during 10 years on the Committee, I have seen Patch Park go from a hay field to the nicest park in the area. I have also seen the Farwell School area of North Charlestown develop into a beautiful recreational area for public use. Winter Carnival has become a major social event. The youth athletic programs of soccer, basketball, baseball and swimming have turned into power-houses. It is with great regret that I will be stepping down from the Recreation Committee to pursue other interests. I believe that Charlestown is poised to enter the 21st Century with some of the best facilities and programs around.

Thank you for allowing me to serve.

Sincerely,
Victor R. St. Pierre
Chairman

REPORT OF THE RECREATION DIRECTOR

The Recreation programs for 1992 increased in numbers from the previous year.

In softball and baseball we created more teams and went to a major/minor system to make the competition fairer for all involved.

Soccer continues to be the big program with well over 200 children involved in three different age groups.

The baseball program is increasing in numbers every year and the talent level is such that most teams have to play above their grade level in order to have competition games.

The year ahead appears to be a most challenging one for both myself and the Recreation Committee. There are many changes that we are looking at and we would appreciate any suggestions that will help make these programs run smooth and continue to be fun.

I would like to thank all the members of the Recreation Committee, the volunteer coaches from all the teams, and the parents of the children who make up these programs, for their time, patience and understanding when things do not go right.

Respectfully submitted,
Michael White, Rec. Director

REPORT OF SULLIVAN NUTRITION

Sullivan Nutrition delivered over 6500 meals in Charlestown during the last fiscal year. We served over 5300 meals at the congregate site in Charlestown during the same time period.

The home delivered nutrition services program provides nutritious meals to older residents, particularly those in greatest economic and social need, who are homebound by reason of illness or disability, and to those who are otherwise isolated due to transportation problems. Services are designed to maintain or improve the health of these older residents, preserve and support their independence and prevent premature or unnecessary institutionalization.

The congregate program provides a daily noon meal to seniors in Charlestown at our site in the basement of the Municipal Building. This program provides our senior citizens with a nutritious meal and a chance to socialize with other seniors.

We wish to thank the Board of Selectmen and the citizens of Charlestown for their support of the Sullivan Nutrition program. Your concern for the senior citizens of Charlestown and Sullivan County is to be commended.

Respectfully submitted,
Rodney Walker, Director

REPORT OF HOME HEALTH CARE AND COMMUNITY SERVICES, INC.

January 1, 1992 to December 31, 1992

In 1992, Home Health Care and Community Services continued to provide home care and community services to the residents of Charlestown. The following information represents a projection of Home Health Care and Community Services' activities in your community in 1992. The projection is based on actual services provided from January through September 1992 and an estimate of usage during October, November and December.

SERVICE REPORT

<u>Services offered</u>	<u>Services provided</u>
Nursing	1,097 Visits
Child Health Nursing	36 "
Physical Therapy	41 "
Speech Pathology	27 "
Occupational Therapy	11 "
Homemaker	5,218 Hours
Continuous Care Aide	472 "
Home Health Aide	814 Visits
Medical Social Work	17 "
Outreach	13 "
Nutritionist	5 "
Office Visits	19 "
Child Health Program	47 Children

Total Unduplicated Residents Served: 203

In addition to the above listed activities, regularly scheduled blood pressure clinics, child health clinics, telephone consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

FINANCIAL REPORT

The actual cost of all services provided in 1992 with all funding sources is projected to be \$203,020.54.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 1993, we recommend an appropriation of \$24,500.00 to continue home care services at the current level.

Thank you for your consideration.

REPORT OF THE SULLIVAN COUNTY HOSPICE, INC.

Sullivan County Hospice, Inc., in its 7th year of existence, is requesting level funding from the Town of Charlestown in the Amount of \$1,500.00 in financial support for the continued program development. Hospice services help meet the needs of the terminally ill throughout Sullivan County in cooperation with other agencies and health care professionals. Our service complements rather than duplicates ongoing services, such as Visiting Nurses Associations.

Sullivan County Hospice, Inc. is a non-profit agency that has established a program to educate and coordinate volunteers who offer support services to the terminally ill and their families at no charge. Including our Board of Directors, we have 38 active volunteers. These volunteers represent Sullivan County as follows:

Claremont 21, Charlestown 4, Cornish 6, Plainfield 1
Goshen 2, and Newport 4.

Our services include companionship, helping with homemaking chores, respite care and emotional support. Our services are available to the patient who is dying at home or in a more acute care setting, such as a hospital or nursing home. Sullivan County Hospice continues to follow and support family members as they move through the grief process by providing one-on-one contact as well as a monthly support group for the grieving. A cancer support group is also offered on a monthly basis for cancer patients and their families. Sullivan County Hospice has offered special supportive and educational programs to the public and functions as a community resource for information and referral.

We look forward to continuing to meet the needs of the dying and their families in our community.

Thank you in advance for your support.

Sincerely yours
Gary Merchant, Chairman

REPORT OF THE DIRECTOR OF HEALTH AND HUMAN SERVICES

During 1992 sixty-five families and individuals received assistance, a substantial decrease from 1991 when \$98,000 was appropriated and 187 families and individuals served. The Community Food Shelf was put to good use and this is reflected in a decrease of food vouchers issued.

The work program proved very successful last year. 1030 hours were worked, representing a total of \$4,636.13 in labor for the Town.

The budget for 1993 has been set at \$40,000.00 and if the downward trend continues, 1993 should be as good a year as 1992.

Marianne Peterson
Director

REPORT OF THE MEETING WATERS YMCA

Meeting Waters Regional YMCA once again requests the amount of \$1,000.00 for day camp scholarships for 1993. We reserve these monies for Youth from the Town of Charlestown who need financial help to attend Lewis Day Camp located in Springfield, Vermont.

This past summer 14 Youth from Charlestown attended camp and 8 of these Youth received full or partial scholarships (1 full and 7 partial) amounting to \$1,000.00.

We would like to thank the voters of the Town of Charlestown for their continued support.

Sincerely,
Catherine M. Rowe
Program Director
